

BARTENDER

“Without sounding egotistical, I like to think I’m the complete package.”

Name: Darryl Robinson

Age: 35

Location: Brooklyn

Robinson, aka Dr. Mixologist (thanks to his skills serving exotic cocktails), has heard every cliché about the bartender getting the girl at the end of the night.

Indeed, he says that, in his younger days, he enjoyed many of the perks that came with the job. Now he is looking for something — and someone — more fulfilling.

“I’ve stopped having those frivolous one-night stands where it was a case of ‘I finish at 4.30 a.m. Meet me at the employees’ exit,’” he says. “Since I’ve matured, I want to find a woman who is physically attractive but also cognitive.”

Regular customers, including guests at the Hudson Hotel, where Robinson works a couple of nights per week, often compliment his sexy smile. “Then they say, ‘Oh, my gosh, you’re smart, too!’” says Robinson, whose longest relationship lasted three years.
